Sizes and specifications are subject to change without notice. E. & O.E. Actual useable space may vary from any stated floor area. All dimensions are approximate and are subject to normal construction variances. Measurements of rooms set forth on any floor plan may be taken at the widest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts or cabinetry, ie: wait to wall to wall. Floor measurements were calculated on the middle floor of typical floor plates.
